

DRIVING DIRECTIONS

From Cancun International Airport to Villa La Joya

Exit Airport and keep to the RIGHT.

Follow signs directing SOUTH on Highway 307, toward PLAYA DEL CARMEN.

Villa La Joya is about 30+ kilometers SOUTH of Cancun airport.

There are gas stations along the way.

After you pass Puerto Morelos watch for the kilometer markers on the right side of the highway. When you pass marker 314 you will pass El Dorado Royale resort on your left. Move to left lane. The highway will descend down a slight hill. You'll see the Playa del Secreto road entrance on your left. There will be a sign for Valentin Spa and Resort. Then you'll see the Vidanta Rivera Maya on your left. You'll be taking the next left at a sign that says RETORNO. It will appear that you're going to Iberostar Playa Paraiso. Turn LEFT in front of the main entrance of Iberostar. Turn RIGHT into Okol Paraiso. This road runs parallel to Iberostar and is lined with bottle palm trees.

At the end of this lane, you'll find a Security Gate. The guard will ask which property you're staying or going to. Tell him Lot 31 - Villa La Joya. Take a left on the Blvd. and follow road all the way to the end and then curve to the right, watching for speed bumps as you go.

You will see our beautiful villa on your left. You are now at Villa La Joya.

Enjoy your stay!
